Hi Gerald,

May I have this location checked?

Much Appreciated,

Renée

Hi Fernando,

I just spoke to Mr. Maxey and he said that LADWP will cut back as many trees as they can. He estimates about 4 ft per tree. After they complete their work, we can see what else needs to be done. I know there is one tree that is hanging over the roof of her neighbor that DWP will not cut, and her shed in the backyard is severely damaged.

Albi, if you will work with Renee regarding the sewer line being cleared where the private property ends that would be appreciated.

Thank you,

Dina
